39. Lummer It. Dear Caroline & Delevruh, Monday Lorney 10. Lucio & I were birry for king the things for Filith bringh - I sent off the pointage for N. B. I had letters from wegnorth cut might die is & Comme went with Many to an Centi Confital Punishment Meeting at the Stole House wenden spoke his best Jues von 11. Wender come for us at 9. 8 we shares, with the great been k box, beank trunk, how brunk walise que of book table stuff and one great white worden toke which during worker it had screws during worker in how forewards on our way to the last ho it. we put our neiks in jeopandy on our way he Charles ton where the sept is, for the A words or theels were in the he where the sept is, for the A words or theels were in the heart of the sept is the sept in the sept i à state that It reene a the' the carrier much upset bue me remines supely. Ive him Classis con gam, but hurkily for himself of it came on ben see. He housed to make henself good with lounder. Defender his comment on the Rogers care and so fret. & Favus worth was in our con par of the time. he saw then this si N. y, on his way, home from Washington. The thought there both her elie in the how been abused by the men being the clique in the matter of the stondard. I hold the Dr that however crony heads the might be, we wone quie her the credie of and they ing to cerem the people which peen a the for him one of miles a day, cut Shirten we look the stage & were 9 miles through the stage of which the stage of which the stage of the s Though the severest driples. I was mort territe out to et deux me rem here Filith burgh, more deux than aline I Men Jan a pretig liere woman og 25 revened us meng kind of to we went hom won. There was a good fine & every thing very very very love have were were never of the windows are the elite of worker lovery being mit theo.
The Hubbands har people were the first on the growing. also there win James Buffum, Min Dr Hort ley Rice Cottin Mn Everett I her sister I in Short their names 30 mere legion. We have a good lear, I Then all but me mene

to her Mendece leviline before the working Mani Gorenn. he opave great patisfaction. 500 people ment assen ble age the meeting we soit up tie lace howing the feathout eles on & flow of some that areon panier put or curing . Mu Hort & clip Catter pleft in the pane woon with us but the ken then into our best. the hing. It was a mile room, homes omely trimined with green. There was plenty of it I very hands onely it looked. The latter were a hollow poure in the middle of the room. with reals all rounds. Then was a beautiful reperhenent better; Thee was cake enough & pier enough & other goveries to feed all wowester Co. Cume thity coulding for this is he sque had brought snow a cake with three wings in it - It would be as were Isa, here we are place that the Fair more \$ 2.60 which we, thought much wonde fue I was need the weement writer of are engaged. Thee was a constant throng of people ut the Toin the meeting of the lowie, the Country going on are the time to every thing as still I havemonion as promise - wendere Class I Briffien sin the principal part of the speaking wender was more eloquent Than common, Ceap spoke very will I Buffer olio won olers for him. The Hutchins on come from Milford which is only 18 miles off in a double sleigh, bringing Hamit perkson who her been up there making a visit. They samy most charmingly and every lovey was obelighted wender detome 3 party with bound has had a large 30 was a very good thing on Ailith brough her had a large 30 pinty wite. Notory come forward to defend to. The Kulbandston people were invaluable. They were all your faming pourse. Bro Everete & his wife the same; Mis Cathin & Mers Hoyo. very useful. Sevene of the File Abringh laires are very well or jure and could not well under me, but there wind nobody to huke the head. How ever we got along very weer. You wier see an & Emily both on are themselves very usefue. Ilm to at the repeat ment have t Emily at the other hable. Kurin ? I went home to tea ortherise were in the hale are ony. all night instead of Mrs Wirt & Slip cutter we had named for know & slip Cooks

Huli hison. Luis Muks Merriet is getting engaged home of the young men, but I dissent. Thursday 13. We had good weather I. a courded house Mishes lives new door to the Jour Stell & I were to drive with her. The I Emply board I appear to be very pleasurely situated. They have a porlow I bed room. Mrs W. was very friendly & we had a good deal of with withing in particular, cut night we parked up, I did it very evine, how have the whole matter was more compositive than I had hoped all the friends I now, werette eli appener perfeitly delighted they thrughe the Course is tworrester County has never never such an impulse - Clop was resourced to be on the best terms with the Men sor. horting word equal his amenity to hence. One of the Hute him an won taken suit to might & we were quice anxing about him, but he seeme to resuscite in the morning, this he was one of his head all night. One of his brothers & Themie Toukson pat up with him avoy went con formore, to hed. The will clusty have an easy time. Friday 14. We were are up & off at 8 or lock, after the most lender arienx with the Snows eti. Clap & Buffin in con pany. It die teem as the' the fait word hall le locuren to oceath. We reached here supely & agree a good drive bett omselves as good as new. Jahren 15: Me Rings brug trongto a leece from Clime Mary which I answer & Wenden, Many chafemon & ho Many Partoin calle & you letter came from N. B. Lie me Tong in a few brief wows three are idea of your Convention he must be up for the present. he were I connor come. he wones be glad to very, Miller Miller & Miller Mille Allow the Mile Mile Mile were you or I show say the wire nor has fromise that he wire nor more for our of row again for 6 or of weeks - He has been inview of our of row again for 6 or of weeks - He has been inview of the our of row again for 6 or of weeks - He has been inview of the our of row again for 6 or of weeks - He has been inview of the our of row again for 6 or of weeks - He has been inview of the our of the same to Consince by holes Emeron & others of Many the Miller Manage He wont be regoired to come h N. B. One it is one of the crese. Mhu Maddinillathe Millania Milla one, that they wenter the money to publish a new edition of wender pamphere - Miller Miller like it win though those they olive not have the hiberty bew. also living theirty that we show be very comple what you write to them

es even Thing they know the Marie Wille the think toenven untrust writing at on Mitte Miller Miller Mille bollering Millering Millering Millering Millering - Plans on un Morio dree, not love any of the quites much for over hake that the account. Where Madditude die Min Attorical letter the Million Million Million the file of the by the has the will in his heard film you come not have the Hete him on at presero I fami y Gamin wand who and time that wender word - Ja need not blume of Gamin a about his letter to John Bailey. Before he reversed the Emeron's letter he had are from John reversed the Emeron's letter he had are from John asking him to come & Meaking as it were with weekend as the he were the avered tree agent of the N. 13. peop as G. reveived this first he consumed it of course. There garrier was her on Sunday might & Marine shore for pour in light on his mind as he John & Ray & there Emma Dis not really think of coming to N. 43. For kan Ton allowed to it in one of your letter. She spoke in reply In those. A mere public true , we done thente primare enough for Clove Loke at the prime the matter one in he mind but I findle decided not to make a visio the film time. He had beere come & see you now of town at this time. He had beere of the file though fair here summer. I write an air course of the file though fair Which you will see in the next. Lit enatur. Sum ay, 16. I passes the frenom at loender & dine the We have a good dinner wood shirter punking pie vie am was quite amiabre, but I think he health just above as you as mine. Door wenseen bold his trials in going above the country that he had to sleep with are the lourse the land to she with some to any northing of fite. after he has seepe with Donolas, to any northing of from the church hay Rossin, called I write us to come I pain the church have die Gamia colled while we seeming there which we die Gamia colled while we were goes Man contained to beginning were gone. Many contrives to heured e our evening by getting in the room a young man name Inecuing who boards with & Mondon 17. Lewin & I worken hand all the morning has king & marking the upton things. all now, the' the walking was nuch as you much as rendered a bout nevermy Living I of Marter to make
